The creation of the Education Protection Account (EPA) by Proposition 30, *The Schools and Local Public Safety Protection Act of 2012*, temporarily increased the state's sales tax rate for all taxpayers and the personal income tax rates for upper-income taxpayers through 2016. Proposition 55, approved by voters in November 2016, takes effect January 2018 and continues the personal income tax rates on upper-income earners through December 2030.

EPA funds are not additional revenue, they are an offset to the LCFF revenue. EPA revenue was received starting in fiscal year 2012-13 and will continue through 2030. A Board approved spending plan is required so the expenditures can be appropriately applied before the end of the fiscal year.

EPA Requirements:

- Spending plan must be approved by the governing board during a public meeting.
- Funds cannot be used for salaries or benefits of administrators or any other administrative costs.
- A financial report must be published on the District website at fiscal year-end.
- District annual financial audit must include verification that EPA funds were used as specified by Proposition 30 and/or Proposition 55.
